

PUBLIC NOTICE – TOWN OF PLYMPTON-WYOMING

A by-law to impose Water and Sanitary Sewer charges on new users of the water and sanitary sewer systems in the former Village of Wyoming area will be considered by members of the Plympton-Wyoming Council during their Regular Meeting on Wednesday, September 24th, 2008 at 2 p.m. These proposed charges will recover the capital cost of the municipality's initial installation of water and sanitary sewer servicing in the subject area necessary to provide service to any new user.

Members of the public are welcome to attend the meeting for information purposes and for input prior to Council's consideration of the by-law. If additional information is required regarding the proposed by-law, please contact the undersigned.

Netty McEwen, Zoning Administrator/Deputy Administrator-Clerk
