

**THE CORPORATION OF THE TOWN OF PLYMPTON-WYOMING**

**BY-LAW NUMBER 18 OF 2025**

**BEING A BY-LAW TO ESTABLISH FEES AND USER CHARGES**

**WHEREAS** Section 391 (1) and 391 (1.1) of the *Municipal Act, 2001* (as amended by Bill 130) hereinafter "Municipal Act", as amended, authorize a municipality and a local board to impose fees or charges on persons,

- a) For service or activities provided or done by or on behalf of it;
- b) For costs payable by it for services or activities provided or done by or on behalf of any other municipality or any local board; and
- c) For the use of its property including property under its control.

**AND WHEREAS** Section 398 (3) of the *Municipal Act* provides that the costs included in a fee or charge may include costs incurred by the municipality or local board related to administration, enforcement and the establishment, acquisition, and replacement of capital assets.

**AND WHEREAS** Section 398 (1) of the *Municipal Act* provides that fees and charges imposed by a municipality or local board on a person constitute a debt of the person to the municipality or local board, respectively.

**AND WHEREAS** Section 398 (2) of the *Municipal Act* provides that the treasurer of a local municipality may, and upon the request of its upper-tier municipality, if any or of a local board whose area of jurisdiction includes any part of the municipality shall, add fees and charges imposed by the municipality, upper-tier municipality or local board, respectively, to the tax roll for the following property in the local municipality and collect them in the same manner as municipal taxes:

1. In the case of fees and charges for the supply of a public utility, the property to which the public utility was supplied.
2. In all other cases, any property for which all of the owners are responsible for paying the fees and charges.

**AND WHEREAS** Section 69 (1) of the *Planning Act, R.S.O. 1990, c.P.13*, provides the council of a municipality, by by-law, may establish a tariff of fees for the processing of applications made in respect of planning matters, which tariff shall be designed to meet only the anticipated cost to the municipality or to a committee of adjustment in respect of the processing of each type of application provided for in the tariff.

**AND WHEREAS** in respect of planning matters, the Council of the Corporation of the Town of Plympton-Wyoming has deemed it appropriate that the municipality shall allow development on a full cost recovery basis. The council has set the tariff of planning fees in such manner as the applicant on any development shall agree to pay the actual costs incurred by the municipality, where those costs exceed the tariff amount.

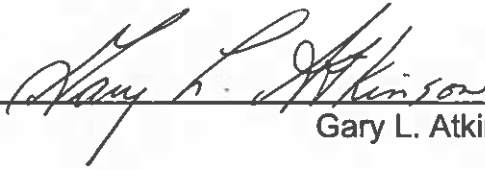

**AND WHEREAS** the Council of the Corporation of the Town of Plympton-Wyoming deems it expedient to establish such fees and service charges, and interest charges and other penalties.

**NOW THEREFORE** the Council of the Corporation of the Town of Plympton-Wyoming enacts as follows:

1. That the tariff of fees and charges for the services as set out in Schedules "A – G" be adopted.
2. Where any costs are not paid forthwith after being invoiced, the applicant agrees that such costs may be paid by the municipality, added to their tax bill and collected in the same manner as taxes; and that interest charges, not to exceed 1.25% each month of the amount of fees and charges due and unpaid, may be imposed for the non-payment of the fees and charges in the manner specified in the by-law, but interest may not start to accrue before the first day of default.
3. The fees in this by-law take precedence over any fees listed elsewhere in the Town of Plympton-Wyoming documents.
4. If any By-law fee or charge provision conflicts with this by-law, this by-law shall prevail as correct.
5. That by-law 134 of 2024 be rescinded and all other by-laws or parts of by-laws inconsistent with this by-law.
6. This By-law shall come into full force and effect upon passing.
