

MINOR VARIANCE PROCEDURE

Application Fee:

\$520.00 – Application fee, per application (non-refundable)

Other Fees:

St. Clair Region Conservation Authority (SCRCA) Natural Hazard & Natural Heritage Fees are available on their website www.scrca.on.ca or by calling 519-245-3710. These fees are payable directly to the Conservation Authority and may be done over the telephone with a credit card. **The Planning Department will require comments from the SCRCA for any development proposed within lands affected by Ontario Regulation 171/06.** The SCRCA mapping can be used to determine if your property is affected by this regulation, https://maps2.camaps.ca/GVH/index.html?viewer=SCRCA_Public.SCRCA

\$75.00- payable to 'Lambton County' – if subject property is on individual or communal septic systems

\$105.00 – Recirculation Fee (if required, non-refundable) – if the application requires a recirculation, due to the actions of the applicant (i.e. Deferral, amendment, etc.), the recirculation fee must be paid before the Planning Department will recirculate the application. If the applicant is absent for the scheduled hearing of their application, the application will be deferred and the recirculation fee must be paid before the application will be brought forth to a future meeting.

Application Forms:

Planning Department must review application before it can be commissioned and formally submitted. Applications will not be accepted without payment present at the time of submission. Applications will also not be accepted without a sketch (see page 4 of the 'Application for Consent' form).

If the property abuts the shore of Lake Huron, a current survey completed by a professional land surveyor must be included with application submission. The survey is to show the location of the toe of the bank, the 3:1 stable slope allowance and the applicable zoning provisions, including the projected average annual recession rates for 60 years and 100 years.

Notification:

All property owners within 200 ft. (60 m) of property line and appropriate agencies (send 10 days prior to the meeting). Notice is also posted at the subject property.

Public Meeting:

Applicant gives presentation and answers any questions the Committee or members of public may have with regards to the application.

Decision:

Usually the decision is made during the public meeting while the applicants are present. In the event the applicant is absent for a scheduled hearing, the application may be deferred by the Committee of Adjustment. The applicant must pay the recirculation fee before the application will be brought forth to a future meeting.

Appeal Period:

Objections may be received up to 20 days after the date of decision. Any formal appeals must be filed with the Ontario Land Tribunal. The Committee of Adjustment is the approval authority of any minor variance applications to the Town of Plympton-Wyoming. If the Committee rejects an application, the applicant has the option to challenge the Committee's decision and may file an appeal with the Ontario Land Tribunal.

Finalization:

A decision of the Committee is final and binding after the appeal period has expired and no appeals have been submitted.
