The applicant must pay the recirculation fee before the application will be brought forth to a future meeting.

Appeal Period:

Objections may be received up to 20 days after the date of decision. Any formal appeals must be filed with the Ontario Land Tribunal. The Committee of Adjustment is the approval authority of any consent/severance applications to the Town of Plympton-Wyoming. If the Committee rejects an application, the applicant has the option to challenge the Committee's decision and may file an appeal with the Ontario Land Tribunal for \$400.00.

Finalization:

A decision of the Committee is final and binding after the appeal period has expired and no appeals have been submitted.

The physical lot layout due to consent/severance is not finalized until deeds have been stamped by the Secretary-Treasurer of the Committee of Adjustment and said deeds have been registered by an authorized individual (i.e. lawyer).

Condition Clearance:

All conditions of the decision must be cleared within two (2) years of the date of decision or the decision is voided (lapsed). In the event that an application lapses, a new application and associated fees will be required.
