Office: (519) 845-3939

2023 FALL NEWSLETTER

info@plympton-wyoming.ca

Billing Due Dates

Property Tax Billings

are due twice a year on
May 31 and October 31.

Water/Sewer Billings

are due bi-monthly
on the 15th of the month in
February, April, June, August,
October and December.

***Payments can be made through
your bank or at the Municipal
Office. We accept cash, cheque
and debit. We do not accept
credit cards.***

The most efficient way to pay
both water/sewer and tax bills
is through our Pre-Authorized
Payment Program.

Property Taxes can be set up for
12 monthly payments. This is an
interest-free option, ensuring
convenience of knowing your
property taxes are paid in a
timely manner.

**Call the office for more
information 519-845-3939**

OVERNIGHT PARKING

A reminder that there is no overnight parking on Town roads between
11:00 PM and 5:00 AM from November 15th to March 15th each year.

HIGHLAND GLEN PARK

The Highland Glen Park (formerly known as Highland Glen Conservation Area) is 11 hectares of beautiful forested ravine land and a 600-metre beach along Lake Huron, located at 5046 Lakeshore Road. The Park includes a boat ramp and safe harbour allowing access to Lake Huron for boaters. A picnic pavilion makes this area a great place for a summer day trip.

Effective April 4th, 2023 the boat launch is re-opened and available for public use!

Daily and Seasonal passes will be enforced to utilize the Highland Glen boat ramp. They are available for purchase at the municipal office (via cash, cheque, or debit) or through our online booking platform (via credit card). We will be offering daily launch passes for \$15.00 or seasonal launch passes for \$200.00 (unlimited launches). Hang-tags can be picked up at the Municipal Office and placed in the vehicle's front window for easy identification or a printout of the online booking receipt will be acceptable.

For instructions, or to pay for a launch, please go to the 'Online Facility Bookings' page, under 'Discover our Town' at www.plympton-wyoming.com

Open houses for Short Term Rentals were held June 20th & July 18th. A broad report on the survey/open house responses and options for Council to consider was reviewed at the August 28th Planning Council Meeting. At that meeting Council decided to schedule a Special Council Meeting to further discuss the regulation of Short Term Rentals to inform staff in their next steps towards presenting a regulation by-law to council for their consideration. A Public Meeting (required per the Planning Act) for further public engagement will be scheduled when a regulation by-law is ready to be presented to Council for their consideration. If you missed the public open houses or survey, you can submit your own comments via the project planner (Randi Burke) at Randi.burke@county-lambton.on.ca or you can drop off written comments at the Town office during regular business hours. We thank everyone for their comments and participation.

Please visit the Town's website for more information regarding STR in Plympton-Wyoming:

Emergency Preparedness Starts With You

Emergencies can be:

Dam Failures

Erosion

Forest Fires

Nuclear Incidents

Tornadoes

Drought

Extreme Heat

Landslides & Sinkholes

Pandemics

Winter Storm

Earthquakes

Floods

Oil & Gas

Thunderstorms

**DON'T
FORGET TO
CHANGE
YOUR
SMOKE
AND CO
ALARM
BATTERIES
(and TEST
MONTHLY)**

1. Make a plan

- In an emergency, your household may not be together, or you may be asked to evacuate your home. Thinking about what you would do in different situations and making a plan with every member of your household is the first step to being prepared.

2. Build an Emergency Preparedness Kit

- Your emergency kit should have everything you and your household would need to be safe and take care of yourselves for **at least three days** immediately following an emergency.

3. Stay Informed

- During an emergency, you should stay tuned to local news channels. Be sure to have a portable, battery-operated or crank radio in your emergency kit in case of power outages.

Visit <https://www.ontario.ca/page/be-prepared-emergency> for more information on how to prepare for an emergency

The Plympton-Wyoming Special Events Committee has had a busy 2023! To-date, the Special Events Committee has organized the following events:

GARBAGE & RECYCLING

A SHORT RINSE
GOES A LONG WAY

BREAK DOWN
YOUR BOXES

Ensure your items are to the road by 7:00 a.m.

Acceptable Items:

Cardboard: broken down, bundles and tied with string no bigger than 2' x 2' x 18"

Metal Cans

Glass Jars and Bottles

Paper Products: ad mail, copy paper, office paper, statements, bills, flyers, paper cores, junk mail, Kraft paper, magazines, phone books, catalogues, cereal boxes, coffee trays, writing paper, egg cartons, paper molds and newsprint

Plastic #1 (PETE) *NO PLASTIC BOTTLE CAPS: soft drink bottles, cooking oil bottles, clear egg cartons, water bottles, peanut butter jars, juice bottles, dish soap bottles and mouth wash bottles

Plastic #2 (HDPE) *NO PLASTIC CAPS: juice containers, milk jugs, laundry soap containers, shampoo bottles and windshield washer containers (if no skull symbol)

Plastic #4, 5 & 6: yogurt containers, margarine tubs, clean flower pots, trays and planters (coded #2 and #5)

Bulk Items: large appliances, small metal appliances, water tanks, bbq's (no propane tank), furniture, fridge, freezers and air conditioners that are purged and tagged, carpet rolled & tied less than 4 feet in length, box springs, mattresses and bed frames

Electronics are accepted at our e-waste drop off location at the Reeces Corners Public Works Yard (5819 Oil Heritage Road).

Building Materials (including toilets) can be brought to Transco Recycling (387 McGregor Sideroad), Curran Recycling (526 McGregor Side Road) or Sevcon Recycling (940 Plank Road). Some charges may apply.

Hazardous Waste can be brought to Clean Harbour Canada (4090 Telfer Road). Clean Harbours offers a variety of Household Hazardous Waste Days, call 519-864-1021 for more information.

YARD WASTE

Yard Waste consists of leaves, grass and garden plant material only.

No sticks or brush in paper bags.

Leaf waste must be in paper bags or a container (no lid) marked with an "X" on both sides.

Bags and containers cannot weigh more than 50 pounds.

Yard Waste pick up will be every Friday throughout the month of May and from October 16 until the end of November. Pick up areas now include the former Village of Wyoming, **Camlachie and areas North of Lakeshore Road.**

Transco Recycling will also accept yard waste year round from all Plympton-Wyoming residents at no charge with proof of residency.

Please have all items to the road by 7:00 a.m.

Grease and Wipes Reminder

Please properly dispose of grease and disinfecting wipes in the garbage and not the toilet. Flushing of wipes and grease "wreak havoc" on residential pipes! It's important to remember that any type of disposable wipe, including baby wipes and wipes that are labeled as flushable, must go into the garbage and not be flushed into the sewer system. Such items contribute to troublesome clogs because they do not break down the same way that toilet paper does. A clog can cause a residential system back-up resulting in localized flooding and property damage. More significant clogs at the wastewater treatment facility can damage infrastructure resulting in costly repairs and potential interruptions in essential service. Help keep our pipes and sewer systems clear by disposing of grease and wipes in the trash can and not the toilet.

Water Meter Project

The Town sent notices to residents in July in regards to the upcoming meter project. Neptune Technology Group has also sent letters out to residents in August with how they can book their appointment for the changeover. If there are any questions or concerns, please feel free to contact the Municipal Office at 519-845-3939 or Neptune Technology Group at 905-858-4211.
