Historical Murals

Residents may notice the addition of historical murals hung on buildings throughout the municipality. This project was in coordination with and the result of a generous donation through the Creative County Grant Program; enriching the cultural fabric of the Lambton community.

Marriage Licenses coming soon!

The Plympton-Wyoming Municipal Office is happy to report we will be offering Marriage Licenses in 2022. Keep an eye on our website for more information soon!

No Overnight Winter Parking on Roadways

There is no overnight parking on roads between the hours of 11:00 p.m. and 5:00 a.m. November 15th to March 15th.

This allows for the Town's road crews to plow the roads safely and efficiently. We ask that you please cooperate and be considerate of the road crews when they are out doing their best to keep our roads open and in safe condition for emergency services.

Vehicles that are not in compliance will be given a first time warning and then will be towed if still not in compliance.

Please Monitor Your Speed

Residential areas are where people live, raise their families, and enjoy the comforts of their homes. These streets are not highways. If drivers follow the rules and drive the legal speed limit, they should theoretically have enough time to stop if a child or pet runs into the street. Please monitor your speed especially in residential areas! We encourage residents to utilize the OPP online reporting tool available at opp.ca/index to report any driving complaints or areas of concern.

Reminder: Online Banking Payments

Online Payments from your financial institution take between 3 - 5 business days to process before they are forwarded to the municipal office. This can result in late fees and penalties. Signing up for our Pre Authorized Payment Program can ensure timely payments are made on the due date. For more information, please see our website.

2020 Municipal Financial Statements

The Town of Plympton-Wyoming's consolidated financial statement reflects the Town's assets, liabilities, revenues and expenses. Financial Statements are required by legislation under the Municipal Act. The 2020 Financial Statements can be found on our website.
