**The Proposed Zoning By-Law Amendment** has been submitted by James Korvemaker, agent for Korvemaker Acres Inc., to amend the Town of Plympton-Wyoming Comprehensive Zoning By-law 97 of 2003 by changing the zoning of the retained portion of the land from the Agricultural-1 (A1) to the No-Dwelling Agricultural (ND-A) Zoning to accommodate a future severance of a Surplus Farm Dwelling. The subject property, municipally known as 5182 London Line in the Town of Plympton-Wyoming, is undergoing the process of severing a Surplus Farm Dwelling. As part of the Surplus Farm Dwelling process, outlined in Part 2, Section 2, Subsection 12, e) of the Town of Plympton-Wyoming Official Plan, the zoning of the retained parcel of farmland must prohibit in perpetuity any new residential uses to ensure the retained farmland continues to be used for agricultural purposes. The change to the No-Dwelling Agricultural (ND-A) Zoning meets this requirement.

**Any Person** may attend the public meeting and/or make written or verbal representation either in support of, or in opposition to, the proposed Zoning By-law Amendment.

**Written Submissions** in respect of the proposed Zoning By-law Amendment can be made to the official listed below.

**If A Person** or public body does not make oral submissions at a public meeting or make written submissions to the Town of Plympton-Wyoming before the by-law is passed, the person or public body is not entitled to appeal the decision of the Town of Plympton-Wyoming to the Ontario Land Tribunal.

**If A Person** or public body does not make oral submissions at a public meeting or make written submissions to the Town of Plympton-Wyoming before the by-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Land Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.
