2025 FALL NEWSLETTER

info@plympton-wyoming.ca

BILLING DUE DATES

Property Tax Billings

are due twice a year on May 31
and October 31.

Water/Sewer Billings

are due bi-monthly on the 15th
of the month in February, April,
June, August, October and
December.

Taxes and Water E-billing coming soon !

*Payments can be made through
your bank or at the Municipal
Office. We accept cash, cheque
and debit. We do not accept
credit cards.*

The most efficient way to pay
both water/sewer and tax bills is
through our Pre-Authorized
Payment Program.

Property Taxes can be set up for
12 monthly payments. This is an
interest-free option, ensuring
convenience of knowing your
property taxes are paid in a
timely manner.

**Call the office for more
information**

2025—YEAR IN-REVIEW

2025 isn't over yet, but it has been a busy year for the Town!

Notable projects undertaken this year include:

- The completion of Confederation Line Phase 2 and completion of Michigan Line Phase 4
- The asphalt resurfacing of Blue Point Drive, Collingwood Street, Harris Point Drive and Dalrymple Street
- The rehabilitation of Fisher Line between Uttoxeter Road and Blue Heron
- Installation of a new traffic signal at the intersection of Confederation and Broadway Street
- Installation of new playground equipment in Errol Woods and Blue Point
- The commencement of a new Parks and Recreation Master Plan
- The planned rehabilitation of the Wyoming Pool
- Implementation of an Inflow and Infiltration Reduction Program

BLUE BOX RECYCLING PROGRAM UPDATE

Starting **January 1, 2026**, the Blue Box recycling program will transition from municipal management to a producer responsibility model under Ontario's new regulations. This means that the companies that produce packaging and paper products will now be fully responsible for the collection and management of these materials.

As a result, the municipality will no longer provide curbside Blue Box collection. Instead, recycling services will be operated by organizations acting on behalf of producers, such as Circular Materials. Further details on collection schedules, accepted materials, and how to access services will be shared by the service provider closer to the transition date.

HOW PREPARED ARE YOU FOR AN EMERGENCY?

- Do you have food, water and basic necessities to survive for up to 72 hours?
- Do you have a plan in case you have to evacuate your home?
- Is your family prepared in case of an emergency or extended power outage?
- Do you have a plan for contacting friends and family in case of an emergency?

Get the information you need to protect yourself and your loved ones by visiting <https://www.plympton-wyoming.com/my-plympton-wyoming/emergency-preparedness/>

KEEP INFORMED: Subscribe for public notices on our website, AND you can sign up for **Sarnia-Lambton Alerts** to receive text or e-mail alerts within the radius of your home or work.

DANGER

STAY OFF ICE

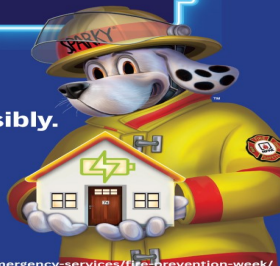

FALL YARD WASTE PICKUP— October 20—November 28, 2025 Visit our website for more information.

CHARGE into Fire Safety™

Lithium-Ion Batteries in Your Home

- **BUY** only listed products.
- **CHARGE** devices safely.

PLEASE CLEAR BASKETBALL NETS OVER CURBS

We would like to remind residents that portable basketball nets hanging over the curb are an obstruction to traffic. Trucks clearing the roads could hit them causing damage to the vehicle or the property.

SHORT-TERM RENTALS—NEW!

The Town now requires a license for Short-Term Rentals. Applications are open, and operators must be licensed by October 1, 2025. Learn more and apply at: www.plympton-wyoming.com/doing-business/short-term-rentals/

HOW TO MITIGATE FLOODING & EROSION AS HEAVY RAINFALL EVENTS INCREASE

With an increase in significant rainfall events we can all participate in mitigating flooding and erosion occurrences. Even small measures can tremendously benefit our local environment and ecosystem.

- Keep downspouts and gutters free of debris
- Make sure downspouts are emptying on permeable ground that is graded away from structures
- Regularly keep storm drains on or adjacent to your property clear of debris
- Trim loose or dead branches from trees and shrubs
- Install rain gardens in low-lying areas of your yard to work as a natural drainage system
- Plant native shrubs, plants, and trees for canopy cover, water absorption, and to protect from erosion
- Increase and maintain native green spaces for natural absorption and filtration before rainwater drains to the lake, rivers, and drains

SPECIAL CHARGE ON TAX BILL

Noticing a \$170.00 'special charge' on your tax bill? This is your annual fee for weekly garbage collection. It's shown separately on your tax bill for transparency.

OVERNIGHT PARKING

A reminder that overnight parking is not permitted on Town roads between 11:00pm and 5:00am from November 15th to March 15th each year.

PLYMPTON-WYOMING SPECIAL EVENTS COMMITTEE STILL TO COME IN 2025!
