

Town of Plympton-Wyoming Fisher Line Rehabilitation - 2025

August 21, 2025

Dear Property Owner/Resident,

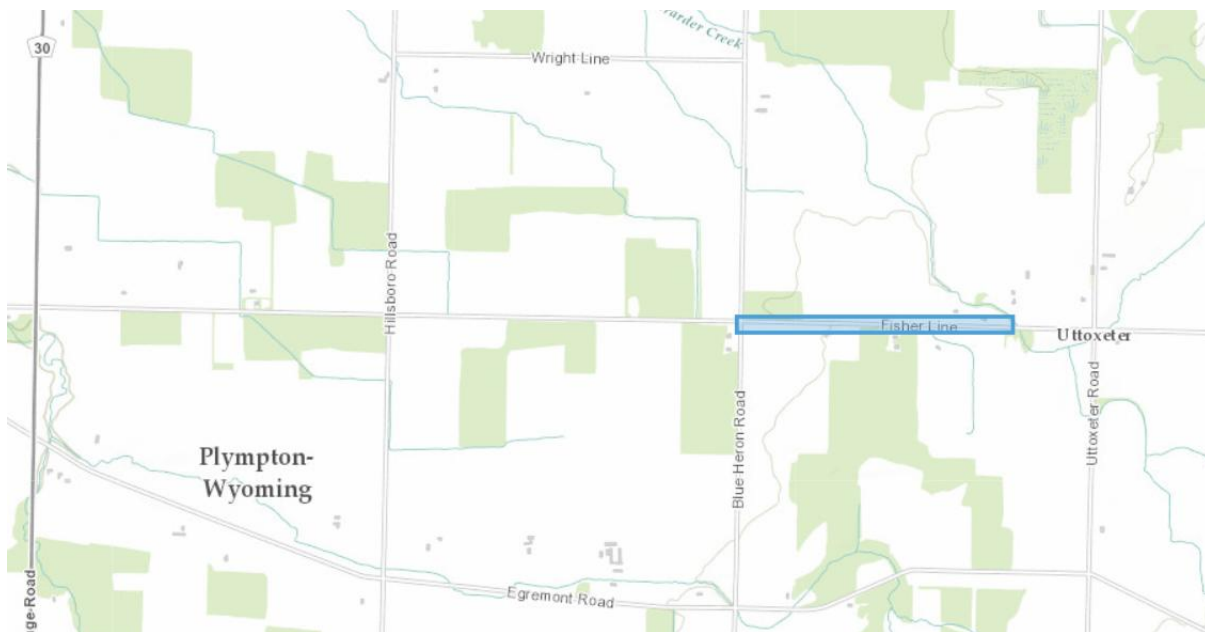

The Town of Plympton-Wyoming has initiated a construction project in your area. This letter provides details about the project and information on how construction may impact you.

Project Details

Location: Fisher Line: Blue Heron Road to the Falconer-Ramsay Drain bridge
Schedule: Start date – August 25th 2025 Estimated completion – September 12th, 2025
Scope: Road Rehabilitation
Consultant: Black Creek Engineering
Contractor: Sev-Con Paving

How will Construction Impact You?

Road Access: Fisher Line will be closed to through traffic at the location noted below however access will be maintained for local traffic Please note the schedules are subject to change due to weather or other unforeseen circumstances.

The proposed works for the 2025 construction season will consist of pulverizing the existing surface treatment, the addition of sub-drains, minor ditch re-grading, placement of additional granular road base and hard resurfacing.

Local traffic will be able to access properties however, periodic delays may be experienced when construction activities are in close proximity to your laneway.

Garbage and Recycling Collection: If your pick-up point is temporarily blocked by construction, the Contractor will assist in collecting and transporting your garbage and recycling. PLEASE CLEARLY MARK YOUR GARBAGE CAN(S) AND BLUE BOX(ES) WITH YOUR 911 ADDRESS TO HELP ENSURE THAT THEY ARE RETURNED TO THE CORRECT ADDRESS.
