

ZONING BY-LAW AMENDMENT

Application Fee:

Zoning By-law Amendment (rezoning) – \$1,390.00 (\$525.00 of this fee is allocated to the County of Lambton)

Removal of Holding "H" Designation – \$270.00

Other Fees:

St. Clair Region Conservation Authority (SCRCA) Planning and Regulation Fees are available on their website www.scrca.on.ca or by calling 519-245-3710. These fees are payable directly to the Conservation Authority and may be done over the telephone with a credit card. **The Planning Department will require comments from the SCRCA for any development proposed within lands affected by Ontario Regulation 171/06**. The SCRCA mapping can be used to determine if your property is affected by this regulation, https://maps2.camaps.ca/GVH/index.html?viewer=SCRCA Public.SCRCA

3rd Party Review of Studies/Engineering/Legal Fees - Will be invoiced to Applicant

\$100.00 - County of Lambton - If septic evaluation is required, payable to 'The County of Lambton'

\$50.00 - Minimum Distance Separation (MDS) Review Fee (if required)

\$110.00 – recirculation fee (if required) – If the application requires a recirculation, due to the actions of the applicant, the recirculation fee must be paid before the Planning Department will recirculate the application. If the applicant is absent for the scheduled hearing of their application, the application will be deferred and the recirculation fee must be paid before the application will be brought forth to a future meeting.

Pre-Consultation Meeting:

It is recommended that the applicant attend a pre-consultation meeting prior to submission of the application. In preparation for the pre-consultation meeting please submit a Concept Plan & Layout for the site at least two weeks in advance of the scheduled meeting date. Following the pre-consultation meeting any additional information required for the application submission will be communicated to the applicant.

Application Forms:

A complete sketch of the property must accompany the application showing accurate dimensions and buildings.

The proposed zoning should be detailed so an appropriate zone can be established. A Planning Justification Report for the change should accompany the application.

Council is the approval authority to approve or deny the application. If Council denies it, the applicant has the alternative to appeal Council's decision by filing an appeal with the Ontario Land Tribunal (OLT) for \$1,100.00 (request for a lower fee may be made directly to the OLT)

Applicant is responsible for gathering and providing required information/data for Minimum Distance Separation (MDS) formulae.

All measurements must be provided in Metric Units.

Notification:

Notice is sent to all property owners within 120m of property line and appropriate agencies (sent 20 days prior to the meeting). Notice is also posted on site.

Public Meeting:

A statutory public meeting must be held where a Town Planner will provide Council with the purpose and reasons for the amendment. The Applicant will also have the opportunity to make a presentation.

Appeal Period:

Objections may be received up to 20 days after the notice of the passing of the zoning by-law. Any formal appeals must be filed with the <u>Ontario Land Tribunal</u>. All appeals are subject to an OLT Appeal Administration Fee of \$300.00 due payable to the Town of Plympton-Wyoming, this fee is to be paid by the appellant.

Finalization:

Once the Town of Plympton-Wyoming approval is received and the appeal period is complete without any objections, the amendment becomes effective. Additional Permits may be required as part of the Zoning By-law Amendment Process.

There are no guarantees of approval for any application submitted to the Town of Plympton-Wyoming. No refunds will be issued in the event the application is denied by the Council of the Town of Plympton-Wyoming.

ZONING BY-LAW AMENDMENT PROCEDURE

COMPLETE APPLICATION CHECKLIST

Completed Application
Drawing(s) outlining Proposed Rezoning (see pg. 6 for information required on Drawing)
Zoning By-law Amendment Application Fee (\$1,390.00), payments must be made by cheque, cash or debit, if paying by cheque please make it out to the 'Town of Plympton-Wyoming'
If the property is on a private septic system – A completed 'Assessment of Sewage Flows for Existing Private Sewage Disposal Systems' form
If Septic Assessment is required – Septic Assessment Fee (\$100.00) in the form of a cheque made out to the 'County of Lambton'
If Application requires a review of Minimum Distance Separation (MDS) – MDS Review Fee of \$50 made out to the Town of Plympton- Wyoming (can be same cheque as application fee)
If Application is for a Surplus Farm Dwelling Severance – A list of all farms owned by the applicant (see pg. 4)

It is required this application be accompanied by the application fee of \$1390.00, as well as any other applicable fees, in cash, debit, or by cheque made payable to 'The Town of Plympton-Wyoming'. If the subject land is within the Regulation Area of the Conservation Authority, their review fee can be paid directly to that office. Their review will not begin, and the application will not be accepted until receipt of said fee. Applications must be witnessed and commissioned by a Commissioner of Oaths, this can include Government Officials such as Municipal Clerks and Treasurers, and Notary Publics. The Town of Plympton-Wyoming offers Commissioner of Oath Services.

Personal information contained on this form, collected pursuant to the *Planning Act*, will be used for the purpose of responding to the initial application. Questions should be directed to the Freedom of Information and Privacy Coordinator at the institution conducting the procedures under the Act.

This application must be accompanied by a sketch showing the following:				
$\hfill\Box$ The boundaries and dimensions of any land abutting the subject land that is owned by the owner of the subject land.				
	$\hfill\Box$ The distance between the subject land and the nearest township lot line or landmark such as a bridge or railway crossing.			
	☐ The approximate location of all natural and artificial features on the subject land and on the land that is adjacent to the subject land that, in the opinion of the applicant, may affect the application. Examples include buildings, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded areas, wells and septic tanks.			
\Box The location, width and name of any roads within or abutting the subject land indicating whether it is an unopened road allowance, a public travelled road, a private road or a right-of-way.				
	\Box If access to the subject land is by water only, the location of the parking and boat docking facilities to be used.			
	$\ \square$ The location and nature of any easement affecting the subject land.

Please answer the following questions:

1. Will any component of the existing sewage system be relocated or replaced?

Yes _____ No _____

	Yes No		
2.	Will the proposed construction decrease the existing separation distance between the structure and the existing sewage system?		
	Yes No		
3.	Is the existing system malfunctioning or discharging sewage onto the ground or into surface water?		
	Yes No		
4.	What is the size of the existing septic tank?		
5.	What is the size of the existing leaching bed?		
6.	What is the floor area of the present dwelling?		
7,.	What will the floor area be of the dwelling after construction?

ASSESSMENT OF REQUIREMENT TO SUBMIT AN APPLICATION UNDER PART 8 OF THE ONTARIO BUILDING CODE

The following circumstances dictate when an upgrade or replacement of an existing sewage system is necessary. An application for a sewage permit is required when:

- 1. The performance level of the existing building is reduced. The Ontario Building Code states that the performance level of a dwelling is reduced where the total daily design sanitary sewage flow of the dwelling exceeds the capacity of any component of the sewage system. The capacity of the sewage system must be evaluated when the construction:
 - increases the number of bedrooms in the existing home;
 - exceeds 15% of the gross area of the dwelling unit or;
 - adds new plumbing fixtures to the existing home.
- 2. The proposed structure will decrease the separation distance to the existing sewage system.
- 3. The sewage system is malfunctioning or is discharging sewage onto the ground or into surface water (e.g. Septic connections to agricultural field tiles and drainage ditches are not permitted).
- 4. The owner/agent is unable to answer either question 1, 2 or 3.

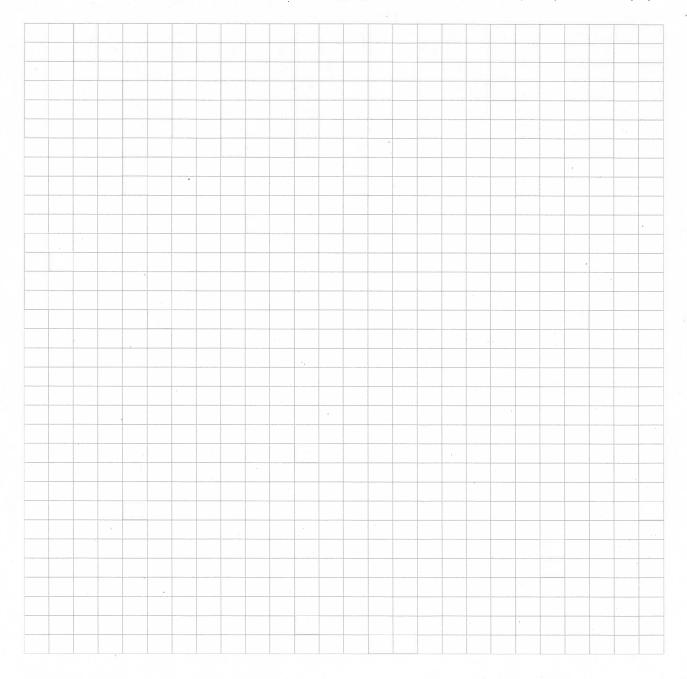

On the attached graph paper, please provide a sketch of the subject property showing lot dimensions, the location(s) of all buildings and structure and the location of the septic tank and leaching (show as much detail regarding the bed as possible - i.e. number of distribution pipes, length of tiles et cetera). If the size of the lot makes it impractical to show the entire property, focus on the area where the sewage system and dwelling are (to be) located.

This office will conduct an inspection of the subject property. An inspection/administrative fee of \$100.00 is therefore required of the applicant to cover the cost of the septic system evaluation/inspection. If it is necessary to make application for septic approval to replace or upgrade the existing sewage system, the evaluation fee will be applied to the cost of the septic permit.

LOT DIAGRAM AND SEWAGE SYSTEM PLAN: Draw to scale and indicate the direction of north.

SHOW: 1) Location of sewage system components (i.e. tanks, leaching beds)

- 2) Horizontal distances from system to adjacent existing or proposed buildings, well water supplies (including neighbours'), existing on-site sewage systems, driveways, property lines, swimming pools and watercourses (including ditches).
- 3) Lot dimensions, roads and topographic features (i.e. steep slopes, swamps)

Declaration of Applicant

Project Address:		
Section A Is this project a commercial, agricultural, or industrial application?	Yes	No
Does the proposal involve fuel handling/storage ≥15,000 litres?	Yes	No
Section B	Vac	No
Are there any hydro poles/hydro easements on this property?	Yes	No
Is there any gas or oil or any other utility easement on this property?	Yes	No
Are there any Right-of-Way accesses on this property?	Yes	No
Are there any easements (of any nature) on this property?	Yes	No
Are there any closed private/municipal drains on this property?	Yes	No
Are there any agreements/leases attached to title (i.e. wind, gas/oil etc.)-	Yes	No
If you answered <u>YES</u> to any of the questions in <u>Section B</u> - you are require site/plot/lot diagram the location of such items and provide sufficient document applicable/requested. Section C
