### \*\*\* IMPORTANT NOTE\*\*\*

Lessons will run on Canada Day and Civic Holiday.

### \*\*\* SEMI-PRIVATE LESSONS-IMPORTANT NOTE\*\*\*

Semi-private lessons provide instruction for 2 participants in similar levels (if unsure, please view the chart of compatible semi-private level pairings). To register for these lessons, you must have a second participant; the pool **DOES NOT** match individual swimmers who are in similar levels. Typically, siblings, cousins, or family friends who are at compatible levels enroll in a semi-private course together. Only one parent will need to register for the semi-private course to enroll both children. If the second child is from a different household, there will be a questionnaire that requires the second swimmer's information. More detailed information about how to register for a semi-private course is posted on the town website under "Wyoming Pool and Splash Pad".
